Investigar: Esquemas electrónicos de las funcionalidades que necesitamos (RS-485 - Entradas digitales NPN PNP - Salidas y entradas 0-10 - salidas y entradas 4-20ma) En Internet Paginas de fabricantes de componentes (Infineon - TI - NXP - NEXPERIA - Analog) Terminar el diseño mecánico de la case y la etiqueta.

Esquemas electrónicos de las funcionalidades que necesitamos

RS-485

RS-485 con aislamiento

Entrada digital NPN / PNP

Entrada y salida NPN

0-10V

4-20mA
